Comments: [i] Presumably United States Military Intelligence, Army General Staff, Government, War Department and Navy Department.

[ii] This group, which is here in the plural form and probably a cover-word, is also used in STOCKHOLM's No. 3097 of 22nd November 1943 [REDACTED] as a covername (UCN 36).

[REDACTED] is also based on de GAULLE's covername "RAS".
